Hello Mary,
We didn't have a formal agenda, but attached is the PowerPoint.

Schedule:
Arrive on Monday evening, meet with Kansas City staff at 9:00 a.m. Tuesday and tour downtown, return on Wednesday.

Purpose:
Meet with Kansas City staff and look at the Smart City Media information kiosks in downtown Kansas City.
Get hands-on experience with smart Kiosks.
Obtain answers to the following questions:

- Who would use kiosks (residents, visitors, both)
- Where would we put them (GC Blvd, Elm St, LeBauer Park, UNCG, A&T, etc.)
- Are they in compliance with sign ordinance? LDO?
- What info would we provide and who populates it?
- What kind of advertisements are allowed?
- What services could we provide using kiosks?
- Do they look nice and are they a good fit for GSO?

Regards,

Carla Banks

Hi Carla,
What was the purpose of the Kansas City trip? Do you have a schedule or agenda? If you do, I need for the settlement report.
Thank you!!
